What we do

How does Unity Bank protect my personal information?

To protect your personal information from unauthorized access and use, we use security measures that comply with federal law. These measures include computer safeguards and secured files and buildings.

How does Unity Bank collect my personal information?

We collect your personal information, for example, when you

- open an account or deposit money
- pay your bills or apply for a loan
- use your ATM or debit card

We also collect your personal information from others, such as consumer reporting agencies, affiliates, or other companies.

Why can't I limit all sharing?

Federal law gives you the right to limit only

- sharing for affiliates' everyday business purposes—information about your creditworthiness
- affiliates from using your information to market to you
- sharing for nonaffiliates to market to you

State laws and individual companies may give you additional rights to limit sharing. See below for additional information

What happens when I limit sharing for an account I hold jointly with someone else?

When you choose to limit sharing, it applies to your information only unless you tell us otherwise. Any joint account holders must opt out separately.
